CORPORATE RELOCATION SYSTEMS
MOVING & STORAGE

**CRS MOVING
AND STORAGE**

OUR MISSION

CRS-Corporate Relocation Systems Inc. is a premier white-glove moving and storage company, specializing in commercial relocations. We are committed to making every project seamless from start through completion. CRS offers a variety of tailored solutions, including: moving, storage, disassembly of existing furniture systems and reconfigurations, new furniture delivery and installation, disposal, liquidation and e-waste.

Not only has CRS been an industry leader for 20+ years, but CRS has been recognized as one of Inc. 5000's Fastest Growing Companies in America three times in its history, most recently in 2021 & 2022!

Traditionally commercial moving, and especially storage, are recession proof industries. In fact, they grow during an economic pull back. Job security and strategic growth are key factors to helping our employees succeed and love working for CRS. Our diverse team and ambition for growth is part of what is making us succeed.

Who We Work With

Grant Thornton

An instinct for growth™

MITSUBISHI

WHO ARE WE?

Michael Varoukas
Founding Partner

Michael Varoukas founded CRS-Corporate Relocation Systems, Inc. in January 2002 with the dream of creating a business of unsurpassed relocation services to the corporate community, where movers were proud of the work they performed & the uniform that they wore. CRS has since developed it into one of the premier office moving firms in New York City and nationally.

Associations

WE STAND OUT

Social Responsibility

All of our workers, many who have been with CRS since its inception, earn a living wage.

Our diverse team has over 200+ years of experience between management & key move personnel

Green Moving

Our e-crates save over 80 pounds of cardboard per move and more than 1,000 trees per year.

We are as paperless as possible, opting for paperless billing, reusable packing materials and more

What We Do

We're more than just a moving company; we offer storage services, warehousing, and so much more.

How we provide excellent customer service- **OUR PEOPLE**

When it is time to relocate a business, many business owners must not only choose the right moving company for the job but also consider the impact the move will have on their businesses and employees.

Choosing a commercial relocation company experienced in office moving will ensure that your relocation experience is not only efficient but that your business's downtime is minimized.

How We Help Your Company Move

To help make your move as efficient as possible, we offer:

- Company-owned trucks
- In-house work force
- Protective equipment and supplies
- Pre-Relocation Budget Analysis
- Relocation of any size company to any location within the continental U.S.
- 20+ Years in Business

If you are a corporate headquarters or a small start-up, CRS Movers is the experienced corporate moving company you are looking for. We are a nationally-affiliated company offering full-service commercial moving and storage services to corporations. Allow us to customize your moving needs and meet the timeline you need to get your business relocated. CRS will assist you every step of the way to make your office moving plans a stress-free process. We also provide our services throughout the continental U.S.

What Our Clients Say

CRS has been providing office relocation services for over 15 years now...Most recently with change from dedicated to flex seating & return-to-office.

CRS packed, inventoried, and internally moved over 1,000 boxes across multiple locations to successfully complete this project.

WELLS FARGO

Between Q4 2021 & Q1 2022, CRS decommissioned & closed over 120-branches for HSBC across the United States.

CRS successfully decommissioned each branch with no service or compliance issues, maintaining a 100% success rate for the bank during this tremendous transition.

CRS has recently completed projects which included renovations of offices and common spaces, requiring CRS to disassemble, move & reassemble furniture. CRS worked along with Project & Construction Management Teams in order to stay on & ahead of schedule, to ensure all deadlines were met. Aside from renovations, CRS assists the hospital with any moves, furniture reconfiguration, maintenance, and decommissioning services.

CRS handles the repair & maintenance of ancillary furniture located in offices. CRS is available & on-call to provide furniture reconditioning, reupholstery, cleaning, maintenance, touch up & refinishing, transportation on & off site to complete repair work, and storage. These services allow the hospital to remain compliant while minimizing any downtime.
